Q. What will the money raised be used for?

A. Fundraising! Our aim is to buy fantastic new equipment for the Club for use by all current and future members of SGA.

Q. When will the lottery be drawn?

A. Every Friday night at the gym or for the big prize draws, perhaps at a special fundraising event.

Q. What are the prizes?

A. £20, £100 or £1000!!!!!!!!!!!!

Each Friday the prize will be £20, except for the first draw of the month when the prize will be £100! Twice a year though the £100 draws will be replaced by a massive £1000! Imagine what you would do with £1000!

Q. How much will playing the lottery cost?

A. £1 per number per week

Q. How many numbers can I have?

A. You can have as many as you like! One for each member of the family would be great!

Q. How will I pay my £1?

A. By standing order through your bank. We could not hope to catch everyone every week for their £1 coin and we would not want anyone to miss out!

Q. How do I get a number?

A. Once you have decided you want a lottery number you should get a form from one of the contacts on the back of this leaflet. You need to complete both the application form and the standing order form, returning the application form to the gym club and taking the standing order to your bank. You will then receive your number/s and as soon as the first payment comes through, your number will be put in for the draw!

Q. What will actually happen on draw night?

A. All the qualifying numbers will be placed in a drum and the winner will be pulled out at random. They will be notified of the good news and handed a cheque as soon as possible. The draw will be done openly in front of all those at the gym that night.

Q. Are there any special rules for playing the lottery that I should be aware of?

A. Yes.

People under 16 can not have a ticket directly in their name. Also ticket holders have to be members, friends or acquaintances of SGA.

Q. How exciting! Where do I find out more?

A. Turn over for Contact details to get your form.

Good Luck!

Remember.....
You have to
be in it
to
win it!

Other FAQ's

Q. How do I set up a standing order at the bank?

A. You must first complete the standing order part of the application form and then drop it in at your Bank. The Treasurer will keep an eye on the fundraising account to make sure the first payment has been done properly for you.

Q Why is the standing order for £4.34 per month?

A. It is because there are some 4 week months and some 5 week months.
£52 (£1 each week) divided by 12 (months) equals £4.34.

Q. What about getting my ticket in time for the two big draws?

A. To have your number in for the £1000 draw you must have been a fully paid up member the lottery for at least 12 weeks before the date of the draw.

Q. What will happens when I no longer want to be in the lottery?

A. You need to notify the Treasurer and cancel your standing order with your Bank. Your number will come out of the draw after the last payment has been made.

Q. Who will oversee the lottery and make sure that it is run properly?

A. The Fundraising Committee has formulated a constitution for the lottery to ensure that it runs according to the rules, a copy of which you can check at any time. Just ask.
